

**Error 3104**

Article Number: 164 | Rating: Unrated | Last Updated: Thu, Aug 7, 2014 at 9:30 AM

Error 3104 occurs when the software is unable to locate the region on the page.Â This could possibly be caused by scanning a page that is smaller than the form template or scanning the pages with the wrong template. Make sure that the form template is set up correctly and that it corresponds with the completed forms that you are processing.
