

Cannot Find OMR Bubbles Font in Word/Word Processing Program

Article Number: 182 | Rating: 5/5 from 1 votes | Last Updated: Wed, Aug 6, 2014 at 7:01 AM

Once you have downloaded the font, unzip it to your Windows\Fonts directory. Then reboot your computer before attempting to use the font.

Once the computer has been rebooted, you should see the font listed as OMR Bubbles in your application.

If the OMR Bubbles fonts did not download for some reason, you can re-download them for free from the [Gravic website](#).
