

## Locating the Serial Number for Remark Office OMR

Article Number: 186 | Rating: 3.7/5 from 3 votes | Last Updated: Fri, Aug 8, 2014 at 1:58 PM

Remark Office OMR requires a serial number, an authentication code and license key in order to install and activate the software. You will find this information in the email you received to download the software, or if you purchased a CD, on the insert that came with the software.

Once you have installed Remark Office OMR on your computer, you can find the serial number and authentication code by clicking **Help|About Remark Office OMR Data Center**. You will also see it in the lower right hand corner of the Data Center window.
