

Settings: Profile

Article Number: 247 | Rating: Unrated | Last Updated: Thu, Jul 23, 2020 at 12:05 PM

Want to see this feature in action? Click here for a how-to video: <https://vimeo.com/228831641/5b4bc66288>

Remark Test Grading Cloud has a set of profile settings to help you use the application in the best way suited to you. To access the settings click your name in the upper right corner and then click **Settings** and **My Profile**. OR **click** your name and choose **My Profile. About You** Under your name, click **Edit Profile**. Here you can change your salutation or name, then click **Save Profile** when finished. **Password** To change your password click the **Change Password** button. Enter your current password and then the desired new password twice. Be sure to follow the password guidelines shown on screen. Then click **Update Password** when finished. **Region Settings** Your region is automatically detected. If you need to change the region, choose the **Locale** from the list. Then choose the **Time Zone** where you are located. Click **Save Region Settings** when finished.
