

## Read Office Error Processing Forms with Auto Form ID

Article Number: 282 | Rating: Unrated | Last Updated: Mon, Jun 22, 2020 at 4:54 PM

The following error message appears during the Read process using the Auto Form ID feature.

 Open each template (.omr) in the template editor. Verify the page orientation and page size are the same on all the forms. To process forms using the Auto Form ID features all forms must have the same page orientation and page size settings.

 An error occurred attempting to add the form template to the read object.
